

Apple Country Woodcrafters (ACW) has now established a legacy fund through the Community Foundation of Henderson County (CFHC). The stated mission of CFHC is helping people who care make lasting contributions to causes that matter.

The motivation for ACW to establish a legacy fund is four fold:

1. The opportunity for traditional legacy giving, i.e. a desire to see ACW and its mission continue for generations.
2. The potential to attract funds or gifts outside of members.
3. To offer a vehicle for a tax free transfer of funds or gifts be that an IRA distribution, appreciated stock or real estate or end of life giving via wills or as named beneficiary of life insurance.
4. To accumulate funds for major capitol expenditures. This fund is not intended for routine operating costs.

The attached form makes it easy for you to deal directly with CFHC for the benefit of ACW. The legacy program is a key component to the long term viability and sustainability of ACW. Please give this its due consideration. If you would like more information on the program you may wish instead to contact Larry Vorbrich, Chuck Johnson or Tom Allen.
